4. PAYMENT TERMS

Payment of contractually due amounts shall be made as they fall due and in the following manner:

- the first instalment (deposit): shall be paid with the application form sent by post or when the Exhibitor submits its online application, by cheque or bank transfer or, when the application is submitted online, by debit card, or on any other date fixed by the Organiser and specified in the application form.

- the second instalment (deposit): at the date fixed by the Organiser and stated in the application form;
- the balance shall be paid no later than fifteen (15) days after the date of issue of the balancing invoice, by cheque or bank transfer. No discounts are available for early payment or payments on account.

Registrations occurring less than thirty (30) days before the opening of the Show must be paid in full by the Exhibitor no more than eight (8) days after the date on which the corresponding invoice was sent to the Exhibitor.

That time frame will be reduced to two (2) days if the Exhibitor registers fewer than eight (8) days before the Show opens, and in all instances, payment must be received by the Organiser at least two (2) days before the Show opens.

All requests for an equipped stand submitted after registration shall be payable in full at the time of request.

Any amounts that remain outstanding after the invoice payment date, will result in the automatic application of late payment interest equal to three times the statutory interest rate, starting from the day following the invoice due date.

If the payment deadlines set out in Clause 4 "Payment Terms" above are not respected, a fixed fee of €40 for debt recovery fees shall be charged by the Organiser in addition to the late payment penalties referred to above (Art. L-441-3, L441-6 and D445-5 of the French Commercial Code). This fixed fee does not preclude any other fees incurred by the Organiser in recovering unpaid invoices.

Stands will only be made available to Exhibitors once full payment has been received.

Once a stand location has been allocated to an Exhibitor, the balance must be paid on or before the date indicated on the invoice.

7. VAT

Exhibitors from outside France can obtain a VAT refund as follows:

* For companies from European Union member countries:

- Submit the refund request via the appropriate online State portal where the Exhibitor is registered in accordance with the provisions of Directive 2008/9/CE of 12 February 2008. In France, this is the fiscal portal at www.impot.gouv.fr.
- A digital copy of the original invoices for all sums over €1,000 excl. tax must be submitted with the online refund request.

- The refund request must be submitted by 30 September of the calendar year that follows the refund period.

* For companies from countries outside the European Union:
The Exhibitors concerned must appoint a tax representative in France to carry out all tax formalities.

8. TERMINATION CLAUSE – PENALTY CLAUSE

8.1 If the Exhibitor fails to pay any of the amounts it owes by the due date or if the Exhibitor fails to comply with any of the clauses of these Terms and Conditions, regardless of the reason, the contract binding it to the Organiser will be terminated seven (7) days after the Organiser has sent a formal notice expressly stating the terms of this Clause 8.1 to the Exhibitor by registered post with confirmation of delivery or by any other useful means, where the breach remains unresolved.

If the Exhibitor expresses the intention of cancelling its participation, the Organiser may implement this termination clause by sending it a formal notice to abandon the cancellation and confirm its participation within seven (7) days.

That period of seven (7) days will begin on the date of the first attempt to deliver that registered post to the Exhibitor.

The contract will automatically be terminated upon expiration of the above time frame, without the need for the Organiser to have the termination recorded by the courts, and the Organiser will immediately be free to dispose of the space allocated to the Exhibitor.

In the event of termination of the contract under this clause, the Exhibitor may pay the full price of its participation in the Show, in the name of this penalty clause. Consequently, the amounts previously paid will definitively remain the property of the Organiser and any outstanding amounts will immediately fall due.

8.2 As an exception to the above, the contract between the Exhibitor and the Organiser will immediately be terminated as of right and without formal notice:

if the Exhibitor does not occupy its stand by the day before the Show opens to the public, regardless of the reason,

in the event of the Exhibitor's registration less than thirty (30) days before the Show opens, if the payment stipulated in Clause 4 of these Terms and Conditions is not made within the time frame set out in the said clause (either eight (8) days or two (2) after the invoice was sent and, in any case, at least two (2) days before the Show opens), regardless of the reason.

In the cases mentioned in article 8.2, the consequences of termination will be the same as those provided by article 1.

9. INSURANCE

9.1. Civil liability:

The Organiser will not be responsible for any damage that the Exhibitor might cause to third parties, including the manager or the owner of the Site hosting the Show.

Consequently, the Exhibitor will, at least ten (10) days before the scheduled Show set-up date, take out insurance contracts with insurance companies certified to perform insurance transactions in France, covering the financial consequences of any liability that may be incumbent upon it for reasons of bodily harm or material or immaterial damage caused to third parties, including the manager and the owner of the Site, as a result of its activity during its participation in the Show (including during the set-up and break-down periods).

At the Organiser's request, the Exhibitor will supply the corresponding current certificate from its insurer, stating the policies taken out, their total sums and their period of validity. Failing this, the Organiser reserves the right to refuse the Exhibitor's access to the Show, without compensation.

9.2. Tenant risk and the Exhibitor's property

Furthermore, the Organiser will not be responsible for:

- property damage caused to the Site's manager and/or owner, affecting personal or real property, in the event of the occurrence of any of the following events: fire, lightning, explosion, water damage, terrorist attack or natural catastrophe.
- damage caused to property owned by the Exhibitor or placed in its care.

Consequently, in order to meet the requirements of the company managing the Site, the Organiser will automatically invoice the Exhibitor for the tenant risk / property damage insurance taken out by Comexposium Assurances, under the conditions set out in point 9.3 below.

As applicable, if the Exhibitor can provide proof of its subscription to a tenant risk policy by sending the "certificate of insurance" form to the Organiser at least 10 days before the Show's set-up begins, duly signed and bearing its insurance company's stamp and stating the benefits provided with a minimum of €3,000,000 per claim, the aforementioned tenant risk / property damage insurance will be cancelled and/or refunded in full. b) Supplementary insurance cover for the Exhibitor's property:

The Exhibitor may also submit a request to the Organiser to subscribe to insurance for:

9.4. Waiver of all recourse

a) Against the Site manager and/or Site owner companies:

Executing the commitments undertaken by the Organiser towards the Site manager and/or Site owner companies, the Exhibitor, by the mere fact of its participation, declares that it waives all recourse that it or its insurers may be entitled to make against these companies and their respective insurers for any damage covered by the tenant risk policy and for any direct or indirect losses the latter parties may cause to its property, equipment and fittings as well as any caused to that of its agents, and additionally for any operating losses and/or extra costs regardless of the cause, with the exception of malicious acts.

The Exhibitor undertakes to obtain the same waiver from its insurers.

It is further specified that, on the basis of reciprocity and excepting malicious acts, the Organiser and its insurer waive any claim against the Exhibitor and its insurer for damage affecting any property, equipment and fittings belonging to the Organiser and which the Exhibitor is responsible for. It is further specified that this waiver is not applicable for any loss or damage that may affect the Site's buildings, fittings and equipment owned by the Site manager and/or Site owner companies and that has been given into the care of the Exhibitor.

Furthermore, if any sum remains outstanding on the due date specified in the relevant invoices, whether or not that amount is the same as the amount specified in the general terms and conditions of sale, late fees of an amount equal to three times the legal interest rate shall be applied. Those penalties shall be applied starting on the day after the due date stated on the invoice.

In addition to any late payment penalties referred to above, a flat-rate indemnity of €40 in respect of recovery fees shall be required by the Organiser. 10. LIABILITY

10.1 Advertising inserts / Sponsorship

The Organiser declines all liability in relation to the content and editing of advertisements. It cannot be held liable for information provided or products offered.

Texts, logos, illustrations, photographs, images, hypertext links, products, brands and generally all works and content used to produce an advertising insert are the responsibility of the Client, which is solely liable for any fees, particularly for reproduction and representation.

The Client releases the Organiser from any liability the latter may incur as a result of the insert produced or distributed at its request.

The Client shall compensate it for any damages it may suffer and guarantees it against any third-party proceedings against it in relation to the insert.

The Client explicitly authorises the Organiser and/or any third party appointed by the Organiser, at no

cost, to freely use the logos, photos, illustrations, and more generally all works and content used to produce an advertising insertion, both in France and overseas and without any time restriction, for the purposes of promoting the Show, and/or the Comexposium Group and/or its communication tools.

It is also emphasised that it is not currently technically possible to satisfactorily protect against any form of reproduction, reuse, redistribution, or illicit marketing of all or part of a website. The Client therefore declares that it is aware that any content used on the internet is at risk of being copied and used fraudulently by any user connected to the internet. The Organiser may not therefore be held liable for any counterfeiting or damages suffered directly or indirectly by the Client as a result of this fact.

The Organiser reserves the right to interrupt the service for work to maintain and/or improve its networks. These service interruptions may not give rise to any compensation to the Client.

10.2 Masterclass and conferences

Activities taking place in masterclass and conferences are solely the responsibility of Exhibitors, the only role of the Organiser being to provide them with spaces equipped with a screen, a flipchart, a mini-stage, an overhead projector and projection equipment as well as a hostess for welcoming participants and to promote workshops and advertising presentations. Under no circumstances can the Organiser be held liable for the successful running of activities in the masterclass and conferences..

11. DISPUTES

Any dispute which has not reached an amicable conclusion shall be settled according to French law, by the courts holding jurisdiction where the Organiser has its head office. Only the text in French shall be deemed authentic.

12. Tenant risk/property damage insurance policy

It should be noted that the Organiser is not responsible for:

- Property damage caused to the movable and immovable assets of the Site manager and/or Site owner in the event of the following: fire, lightning, explosion, water damage, attacks and natural disasters.
- Damage caused to property owned by the Exhibitor or placed in its care.

However, the organiser recommends that exhibitors take advantage of the insurance policies taken out by Comexposium ASSURANCES on their behalf with AXA France and AXA Entreprises.

Subject to Exhibitors taking out these policies by accepting the insurance package offered on the Application Form, these insurance policies cover:

- damage to the exhibitors' property (loss, theft, destruction) and stand equipment, under the conditions and within the limits of the insurance policy
- tenant risks as stated in these regulations

The insurance policies proposed have been taken out by Comexposium Assurances on behalf of its Exhibitors and are appropriate solutions based on the situation, the needs expressed and the financial terms and conditions of the policy (deductible, insurance benefit and premium).

It is indicated that the insurance taken out by the exhibitor does not cover the third-party liability of the latter. In this regard, the exhibitor acknowledges having taken out all the insurance policies necessary with an insurance company covering its third party liability and that of any person involved directly or indirectly in the exercising of its activities and/or those of its company, for any physical injuries, material or intangible damage caused to a third party during his attendance and/or that of its company at the Exhibition WINE PARIS 2020 – VINISUD-VINOVISION PARIS (including during the set-up and dismantling periods).

I. TENANT RISK INSURANCE

Insurer: AXA ENTREPRISES, T5 – 313 Terrasse de l'Arche, 92727 Nanterre, France. **Policy no.** 63 761 910 04

A. TENANT RISK POLICY COVER

1. Object and scope of cover

The liability cover stipulated in this policy applies by virtue of not only the French Civil Code but more generally all laws, acts and regulations in force on the date of the claim.

This policy covers:

- **Tenant risk and extra "immovable asset" tenant risk:** This involves the tenant's or occupant's liability as regards the owner for physical damage affecting movable and immovable assets that have been temporarily or permanently leased, entrusted or made available, and can extend to involve liability for the entire building of which the tenant occupies a part.
- **Neighbour and third-party claims:** This involves material and immaterial damage claims from neighbours and third parties (Articles 1382, 1383 and 1384 of the French Civil Code).

For the events listed in the paragraph below.

a. Covered events and specific exclusions

- **Fire:**
Combustion, conflagration and blazes and damage due to the resulting heat, gas and smoke, including damage caused by emergency services and rescue measures taken as a result of a covered loss occurring in the Insured Party's property or that of another person.

- **Direct lightning strike:**
Including damage caused to the insured property by falling chimneys, antennae, trees, outdoor aerial installations and any other construction struck by lightning.

- **Explosion – Implosion:**
Including water jets from steam appliances.

- **Damage caused by water, ice and other liquids:**
Accidental water or other liquid leaks, including from:

- Pipes, including buried pipes.
- All tanks and appliances, both fixed and mobile, that use water or any other liquid, vapour or heating.
- The rupture or blockage of stormwater drains, sewers and runoff channels or pipes.
- Infiltration through side walls, windows, roofs, terraces, balconies, glazed canopies, skydomes and pyrodomes, including damage caused by ice in tanks, appliances and above-ground pipes located in buildings.

However, ice damage is only covered when:

- it is an abnormally intense event resulting in damage to several water distribution systems inside buildings heated under normal conditions for the region, and the systems were designed and installed in line with industry standards in the local area or region in which the loss occurred

OR

- Despite being of a normal intensity, it occurs simultaneously with a sudden, unforeseen event that leads it to cause damage.

The following are excluded from cover:

- Damage due to condensation or humidity, unless this condensation or humidity is the direct result of a covered loss.
- Damage caused to the appliances that caused the loss as well as the repair, shifting or replacement of pipes, taps and appliances.
- However, above-ground tanks, appliances and pipes are covered in the event of ice.
- Repair of roofs, terraces, balconies and glazed canopies.
- Damage caused following a lightning strike, subsidence or landslide.
- The cost of the water or other liquid lost.
- **Riots, popular uprisings, vandalism, acts of terrorism, sabotage and attacks:**

All damage caused to insured property by acts of vandalism, riots, popular uprisings, acts of terrorism, sabotage and attacks, whether these acts are individual or collective.

- **Natural disasters:**
This cover applies under the conditions stipulated in Act no. 82-600 of 13/07/1982.

- **Object of the cover**

The Insurer covers the Insured Party for financial compensation for direct property damage to all of the assets covered by the policy caused by the abnormal intensity of a natural agent. If "Business interruption" cover has been taken out, the Insurer covers the Insured Party for a compensation amount that corresponds to the gross margin loss and resulting extra operating costs during the cover period stipulated in the policy, the interruption period or the reduced business period of the company caused by the abnormal intensity of a natural agent affecting that company's property.

- Payment of sums covered

The sums covered can only be paid after an interministerial decree has been published in the Official Journal of the French Republic stating that a Natural Disaster has occurred.

- Scope of the cover

The policy covers the cost of direct property damage suffered by assets up to their value indicated in the policy and within the limits and conditions stipulated in the policy the first time the loss occurs. If Business interruption is included in the policy, and with no special reduction possible for the total sum of the risk elements used to determine the premiums, the policy covers the financial consequences of an interruption or reduction in the company's activity within the limits and conditions stipulated in the policy for the primary risk, as at the first time the loss occurs.

- Deductibles

Notwithstanding any provisions to the contrary, the Insured Party remains liable for part of the compensation payable after a loss.

With assets used for habitation, land-based motor vehicles and other assets used for non-professional purposes, the deductible is set at the non-indexed sum of €381, except for damage due to land movement following soil dehydration and/or rehydration, for which the deductible is set at €1,524.

With assets used for professional purposes, the deductible is equal to 10% of the sum of non-insurable direct property damage suffered by the Insured Party, per establishment and per event, with the minimum being €1,143 except for damage due to land movement following sudden soil dehydration and/or rehydration, for which the deductible is set at €3,049. However, if the deductible stipulated in the policy is higher than this sum, it will be applied.

With Business Interruption cover, the deductible corresponds to an interruption or reduction in the company's activity of three (3) business days, with a minimum non-indexed amount of €1,143. However, if the deductible stipulated in the policy is higher than this sum, it will be applied.

The Insured Party may not contract insurance for the portion of the risk consisting of the deductible.

In a municipality without a predictable natural risk prevention plan for the risk named in the decree that declares a state of Natural Disaster, the deductible will be adjusted according to the number of decrees made for the same risk on or after 2 February 1995, according to the following terms:

- first and second decree: deductible applied
- third decree: applicable deductible doubled
- fourth decree: applicable deductible tripled
- fifth and subsequent decrees: applicable deductible quadrupled

Insured Party's Obligations

The Insured Party must declare to the Insurer or its local representative any damage that may activate the cover as soon as the former becomes aware of it and, at the latest, within ten (10) days of the interministerial decree being published which announces a state of Natural Disaster (extended to thirty (30) days for Business Interruption cover).

When the Insured Party has contracted several policies that provide compensation for direct property damage resulting from the abnormal intensity of a natural agent (or that activate Business Interruption cover), in the event of loss and within the timeframes mentioned in the previous paragraph, the Insured Party must declare the loss to the Insurer of its choice.

Insurer's Obligations

The Insurer must pay the compensation due under the policy within three (3) months of the Insured Party providing the estimate report for damaged property (or losses suffered) or the date of publication of the interministerial decree declaring a state of Natural Disaster if this occurs afterwards. Failing this, and unless there have been unforeseeable circumstances or a force majeure event, the compensation payable by the Insurer will incur interest at the legal tax rate once this period has expired.

b. Exclusions

When defining the scope of cover, the insurer uses the exclusions clause to define certain events, certain types of damage or more generally certain risks as excluded from this cover.

Consequently, any event, property or damage excluded by the insurer through an exclusion clause will not be covered by the insurer should any damage occur.

1. The following damage and losses are categorically excluded:

- Those resulting from the intentional or harmful act of corporate officers of the Insured Party, whether acting alone or in collusion with third parties.
- Those that harm the physical well-being of people (bodily injury).
- Those that result from the embargo, nationalisation, sequestration or seizure, destruction or confiscation by order of civil or military authorities, except for destructive acts ordered with the aim of stopping the spread of damage or acts of destruction ordered following a loss.
- Those resulting from flooding, avalanches, earthquakes, volcanic eruptions and other disasters, if an interministerial decree authorises their legal coverage as natural disasters (failing this, the event may still be covered by this policy under "Water damage" for flooding and, if the Insured party has subscribed to it, under 1.9 "All risks (subject to named exclusions)" for other events).
- Those resulting from loss of trading.
- Those resulting from the Insured Party's duties as stipulated in Act no. 58 208 of 27 February 1958 for motor vehicles (mandatory vehicle insurance).
- Those resulting from the Insured Party's responsibilities other than the tenant risk and extra "immovable asset" tenant risk, and the neighbour and third-party claims.

The following are still covered for the various events listed above:

- Accidental, non-excluded damage and its consequences arising from these phenomena.
- Damage and consequences caused by these phenomena when the latter result from a covered accidental event.
- Solely damage to buildings arising in France during the 10-year guarantee period which is covered by Construction Damage insurance stipulated in Act 78.12 of 4 January 1978 and subsequent texts.

2. Excluded items:

Furthermore, the following are not covered by this policy (except in regard to claims by tenants, occupants, neighbours and third parties):

- Bodies of water, plots of land, basements (except cellars, car parks and gallery and building basements), channels and pipes, crops and outdoor vegetation.
- Tunnels, roads and bridges used by public vehicle traffic.
- Weirs, dykes and mines.
- Damage to wharves, docks and jetties unless they form an integral part of a building.
- Aircraft, spacecraft, seacraft, land-based motor vehicles and their trailers while travelling outside the insured sites or their immediate surroundings (except in the event of fire or explosion and except for heavy construction, lifting and equipment handling vehicles).
- Movable and immovable assets held by the Insured Party, for which it is not responsible for insuring on behalf of another party and for which it has received a claims waiver from the owner(s) and their insurers. It is, however, agreed that this policy's cover will be activated to cover direct claims from the owners of these assets if their own policy proves to be inadequate at the time of the loss, if a premium - reduced due to this particularity - has been paid in this respect.

NB: These assets and liabilities are only excluded for events covered by separate policies taken out by the owners or by claim waivers as discussed above when those waivers operate.

- Valuable objects, unless they are used for the Insured Party's professional activities.
- The contents of cold stores and refrigeration units, when the damage results from a fault in the merchandise itself or when there is an electricity outage ordered by government authorities.
- Animals. However, the Insured Party will be covered when the aforementioned goods are stocked, presented or sold on insured premises or their surroundings.
- Products and merchandise made by the Insured Party itself and whose characteristics make them unsuitable for use or sale, unless the faults are the result of non-excluded equipment damage.
- Merchandise sold by the Insured Party without retention of title and received by the purchaser or a duly authorised third party, after the effective transfer of risk to that purchaser.
- Assets in the process of being built, demolished, assembled or tested, except in the event of fire, explosion, lightning, water damage, storm, an aircraft crash, vehicle impact, acts of vandalism, terrorism, sabotage and attack.

Although these events could potentially occur, they do not appear to be of such a nature that they would deprive the exhibitor of the cover proposed in

a large number of circumstances in connection with the Show.

2. Cover and deductibles

Exhibitors are covered by the insurance taken out by Comexposium Assurances with AXA Entreprises for Tenant Risk and Neighbour and Third-Party Claim cover that may be activated following the events below: Fire, lightning, explosions, water damage, attacks and natural disasters, for the following maximum amounts:

- Tenant Risks: €3,000,000 per loss
- Neighbour and third-party claims: €1,500,000 per loss

This cover carries a deductible of €5,000 per loss.

B. COMMENCEMENT OF COVER OF THE TENANT RISK INSURANCE POLICY TERMS

The cover is in place during the entire Show duration: from the first day of the set-up period until the last day of the dismantling period.

II. PROPERTY DAMAGE POLICY

Insurer: AXA Entreprises
T5 – 313 Terrasse de l'Arche, 92727 Nanterre, France.
Policy no. 4 299 10 204

A. COVER

1. Purpose and scope of the cover

a/ Events insured

The insurance covers any material damage, losses and damage caused to the goods exhibited, including the fittings of the stands pursuant to any non-excluded event.

It is specified that acts of terrorism and attacks and Natural Disasters are only covered in France.

b/ Goods insured

The insurance covers the goods of the exhibitors and the co-exhibitors, and the fittings of the stands.

2 – EXCLUSIONS OF COVER

The exclusion of cover clause is the clause whereby the insurer, when it defines the purpose of its cover, expresses its intention to exclude from said cover certain events, certain types of damage and, more generally, certain risks.

The insurer shall therefore not be liable for any event, property or damage excluded by it through the exclusion clauses in case of damage.

a/ Events excluded

Damage, losses and deterioration suffered by the goods insured are excluded from the cover that result:

- from foreign war or civil war,
- from the direct or indirect effects of an explosion, discharge of heat or radiation resulting from the transmutation of atoms or radioactivity as well as the losses due to the effects of radiation provoked by the artificial acceleration of particles,
- from confiscation, sequestration, seizure or destruction by order of any government or public authority, as well as the consequences of any infringements,
- of flooding or overflowing of stretches of natural or artificial water, rain water, floods, tidal wave, moving blocks of snow or ice or other natural disasters (except those covered under the Law

- on natural disasters no 82-600 of 13.07.82, cf. Article 2 above),
- of a specific defect, wear and tear, age, slow deterioration, moths, parasites and rodents of any kind,
- of the insufficiency or unsuitability of the packing or packaging,
- of simple thefts or misappropriations committed by the employees of the Insured Party or of the beneficiary as well as of the intentional or fraudulent fault of the insured party or of the beneficiary, who have the strict obligation to act in all circumstances as if they were not insured,
- of the influence of atmospheric agents for object exposed to the air,
- of epizootic as regards animals,
- of the fading of flowers, trees and floral decorations as well as of any plants.
- of any losses or disappearances on the stands where free distributions or tastings are made of any goods or beverages whatsoever,
- of any sanitary or disinfection measures or cleaning, repair or renovation operations,
- of the defective assembly or dismantling of the objects insured,
- of the breaking of fragile objects such as porcelain, glassware, mirrors, marble, pottery, terra cotta, sandstone, ceramics, alabaster, plaster, waxworks, cast iron works, under glass or windows.

If the occurrence of these events cannot be excluded, it appears however that they are not likely to deprive the exhibitor of the protection of the coverage offered in a large number of circumstances during the exhibition.

Nevertheless, of these events excluded from cover, we draw your attention to acts of petty theft or embezzlement committed by the insured's employees. Thus, such events may under no circumstances activate the insurance cover and shall therefore not be indemnified if they should occur.

b/ Goods excluded

We draw your attention to the fact that the following goods are excluded from the cover:

- Works of art,
- Objects of special value. An object of special value means an object whose intrinsic value is not related to the costs incurred to obtain it,
- Furs, skins and carpets,
- Cash and notes,
- Personal effects and objects, jewels, cameras, radios, electronic pocket calculators and all the objects belonging specifically to any person attending the event directly or indirectly,
- Connected telephones,
- Removable software and software packages,
- Plasma or LCD screens (the exhibitor can take out a specific insurance policy to cover this equipment).

c/ Damage excluded

The following items are always excluded from the cover granted by the Insurer:

- Indirect losses of any kind whatsoever such as loss of profits, damages, duties and other taxes, penalties of any kind and, notably, those relating to a deadline or delay for any reason whatsoever,
- Stains of animals,
- Damage caused to materials, clothes, fur, carpets, tapestries and covering (floors, walls, partitions) by marks, stains, dirty marks and burns of cigars, cigarettes and/or pipes, except those resulting from water damage, fire or theft,

- Scratches, scrapes, rust or any oxidation and/or corrosion,
- Damage to the objects exhibited under stands, when these goods are located outside of the latter,
- Damage, losses and deterioration suffered by the goods insured when this damage is the result of the operating or mechanical or electrical malfunction of the said objects.

3 – AMOUNT OF THE COVER

The cover is fixed at € 500 per square metre rented with a minimum of € 6,000 and a maximum of € 300,000.

This amount is the limit of liability, i.e. the maximum amount of the insurer's obligation. Moreover, in case of loss, you may not obtain compensation in excess of the above-mentioned amount in the event that the insurance coverage is activated.

In the event of theft, the payment of the compensation shall be made after deduction of a deductible of € 300 per loss.

The deductible is the sum of money or the portion of the damage for which you will be responsible in the event that a risk occurs. In addition, the insurance benefit shall be paid for losses in amounts greater than the deductible and for the portion in excess of the deductible.

For all these reasons, we believe that the AXA Entreprises insurance policy no. 429910204 is an appropriate solution based on the situation, the needs expressed and the financial terms and conditions of the policy (deductibles, insurance benefits and premium).

4 - ADDITIONAL INSURANCE

If the value of the exhibited items exceeds the insured amount, exhibitors are advised to take out additional insurance.

Moreover, plasma and LCD screens are excluded from coverage. However, the exhibitor has the option of taking out special insurance.

The additional insurance enrolment form for damage to property or for plasma or LCD screens is attached to these insurance regulations and is also included in the Exhibitor's Guide, which will be sent to each participant or accessible on the exhibition's website.

C. PROPERTY DAMAGE INSURANCE CONDITIONS

1 – TAKING OF EFFECT OF THE COVER

The cover applies to the stands provided to the exhibitors from the day before the opening to visitors (7.00 p.m.) to the last day of opening to visitors (closing time).

However, Plasma/LCD screen additional insurance will be effective from the morning on which the exhibition is open to the public until the evening of its closure.

2 – SPECIFIC PREVENTATIVE MEASURES FOR THEFT COVERAGE.

The cover for Theft without break-in applies when the following preventive measures have been taken:

- During the hours of opening to the public

and/or to exhibitors, as well as during the period of installation and dismantling, the stand must be permanently guarded by the Exhibitor or by one of its employees.

- During the hours of closure to the public et/or to exhibitors, the audiovisual equipment used for advertising purposes (such as video recorders, cameras, video cameras and portable microphones) must be stored in a locked cupboard and/or specific area.

If you fail to do so, you risk being denied coverage by the insurer.

3 – PROVISIONS SPECIFIC TO OBJECTS OF VALUE

Objects in precious metals (gold, silver or platinum), precious stones, pearls, gold or silver plate, time-pieces and any objects of a small size and/or of great value must be locked up:

- During the hours of opening of the exhibition to the public: in solid showcases equipped with thick glass and locked by safety locks
- During other times (installation – closure – dismantling): in a safe approved by the insurer.

If you fail to do so, you risk being denied coverage by the insurer.

The risks of theft are only covered in the event of break-in or in the event of violence committed against the guard or guards.

4 – Provisions specific to takeaway sales

Uniquely for the exhibitions concerned

The cover applies for goods intended for takeaway sales.

The insurance only covers goods in locked storerooms or placed in solid cupboards entirely closed and locked with security locks. The Theft cover is restricted to theft by break-in from the storerooms and/or cupboards.

In the event of partial or total loss, the cover of the Insurer is automatically reduced by the amount of the loss. The reimbursement is made solely on the basis of the cost and/or purchase price.

III. LOSSES UNDER THE TENANT RISK/PROPERTY DAMAGE POLICIES

1 – Declaration of loss

The losses must be immediately declared to the Organiser.

In addition, losses must be reported within twenty-four (24) hours, regardless of the damage, under pain of forfeiture.

Every declaration of a loss must imperatively state the date, the circumstances, the known or suspected causes of the loss and the approximate amount of the damage and must be accompanied by the original complaint filed in the event of theft.

The claim form must indicate the insurance policy number, i.e. AXA Entreprises policy no. 4 299 10 204.

2 – Measures to be taken at the time of a loss

You must also take any measures to limit the scale of the damage and ensure the protection of undamaged objects and, when the liability of a third party might be involved, take all the measures required by the laws and regulations in effect to protect any course of action taken by the insurer.

If you fail to do so, you risk being denied coverage by the insurer.

3 – ASSESSMENT OF THE LOSS

It is recalled that the insurance cannot produce a profit for the insured party. It only covers the compensation for its material losses in accordance with the **compensation principle** stipulated by the Code in Article L 121-1.

In the event of a loss covered by the insurance policy, the damage is assessed by mutual agreement.

4 – PAYMENT OF THE BENEFIT

The benefit shall be paid to the owners of the insured property.

If the coverage amount applied for is insufficient, the benefit shall be divided proportionally to the total value of the damaged property of each of the exhibitors present at the stand.

IV. PERSONAL DATA

The personal data collected on the enrolment form for the above-mentioned insurance policy and during the term of the policy may be disclosed to the Insurer and to the persons involved in managing the policy (intermediate underwriters, experts and reinsurers).

Said data shall be used to manage the policy, to analyse and control risk, to carry out the services, to prepare statistics and to enforce the legal, regulatory and administrative provisions in force.
