

Founded in 1905, **MAISON DESCOMBE** is a **family-owned company** which has been shaping the Beaujolais region for more than a century. Marine DESCOMBE, 5th generation, is today managing the company.

Maison Descombe consists in :

- Château de Pougelon : **producing Beaujolais-Villages, Brouilly, Morgon, Julienas, Fleurie, and Chiroubles.**
- Domaine Passy le Clou : **producing Petit-Chablis, Chablis and Chablis 1<sup>er</sup> Cru Beauroy.**
- Vins Descombe : the commercial branch offering the production of the group, a range of **150 wines and spirits from all French regions** and a **bottling service for winemakers.**

Vins Descombe's range consists in **3 products families**:

- **Estate wines** selection, sold under the domaines or the Chateaux names and labels, including our own estates.
- The **FLORENT DESCOMBE brand** : wines are selected, bought, blended by Florent and Marine Descombe and bottled on our premises.
- **Taylor-made wines**, sourced and bottled for importers' or distributors' brands with their own-labels or private-labels.

Our Portfolio offers **150 references, bottles or bag-in-box**, from all French regions.: Alsace, Burgundy, Beaujolais, the Rhône Valley, Languedoc, the South West, Bordeaux, the Loire Valley, Champagne.

We also carry a French Spirits range : Cognac, Armagnac, Vodka, Whisky, Fruit spirits, Fruit liquors...

Expert in direct sales to the consumers on the French market, Export stands for 40% of our activity. Our international development started 10 years ago, by setting up subsidiaries in China, followed by Vietnam and Kyrgyzstan, where we have our own importing and distributing companies.

We also have developed a traditional export activity towards countries such as: The United States, Russia, Japan, Australia, etc....

Vins Descombe is certified ISO 9001.

The longevity of our company shows evidence of our professionalism, our efficiency and the quality of our products.

We care deeply about providing excellent customer service, and we truly care about meeting our clients' expectations.
